

## *Didier Kerbrat*

*In the early 90's, Didier was part of a new generation of directors specialising in digital images. He did his studies at the Higher National School of Decorative Arts in Nice (Ecole Nationale Supérieure des Arts Decoratifs de Nice).*

*During the past fifteen years he has experimented in many different fields, directing commercials, music videos, video art and computer graphic artwork.*

*He is now travelling around the world, working with major brands, actresses, singers, models and celebrities, with the always the same specific French style and beauty. Always focusing on aesthetic and fashion.*

*He has shot commercials for brands such as Cartier, Lancome, L'Oreal, Olay, Evian, Citroen, Renault, Playtex and Vittel; working with Charlize Theron, Milla Jovovich, Céline Dion, Maggie Cheung, Gong Li and Andie MacDowell along the way.*
