

Luzian Schlatter was born in 1974 in Switzerland. He is now based in Zurich and Paris, where he works as a director for international commercials. He studied Psychology and Film at the university of Zurich, focusing on the Psychology of Perception, the Impact of Advertisement and the Use of Special Effects in commercials and on drama in fictional film. After graduating in 2002, he explored the various aspects of post production, motion design and realized experimental films and music clips.

Already gaining significant interest from various international beauty clients (among others) he has directed for diverse brands including Raffaello, Mobitel, Fifa, and Otto. Currently he is finishing a Ponds spot for China and Clear for Dubai.

He speaks German (mother tongue), English, French and Italian.
